430.01 FEES.

(a) A fee as designated in Section 220.01(f) shall be made for the sanitary analysis of a water system and water sample collection by a Registered Sanitarian of the Board of Health.

(b) The fee shall be as set forth in Section 220.01(f-3) for water sample collection and testing requested by a physician, a member of the Board of Health or any agency or person as approved by the Health Commissioner.

(c) A fee as set forth in Section 220.01(i) shall be made for all Federal Housing Administration and Veterans Administration forms and letters completed by the Board of Health relative to water systems and sewage disposal systems at locations requested and for the necessary inspections and water sample collection for bacteriological analysis needed to complete such forms.

(Resolution 190-77 adopted 11/8/77)
