## **Welcome City of Norton to our Health District!**

At their April 13, 2009 meeting, the Norton City Council voted to enter into a contract with Summit County Health District (SCHD) to provide health services for the City of Norton. SCHD started to provide health services to the City of Norton on June 1, 2009.

Please use the following information in order to contact SCHD:

### **Environmental Health**

For issues related to food protection, beaches, pools, recreational vehicle parks, camps, manufactured homes parks, tattoos, schools, motels, jails, housing, rabies investigations, and general solid waste you may contact Renee Blyer. She may be reached at 330-926-5648 or through her e-mail at [rblyer@schd.org](mailto:rblyer@schd.org)

Anything related to the construction demolition landfills may be directed to Darrick Willis. Darrick may be reached at 330-926-5650 or through his e-mail at [dwillis@schd.org](mailto:dwillis@schd.org)

With issues related to semipublic sewage treatment systems, home sewage treatment system site and soil evaluations, permits, and replacements; private water system permits; private water samples; and building and zoning permit reviews may be directed to Alison Capoun. She may be reached at 330-926-5639 or through her e-mail at [acapoun@schd.org](mailto:acapoun@schd.org)

For issues related to sewage treatment system routine inspections (OI's), sewage treatment system complaints, sewer connection orders, and real estate transfer inspections you may contact Brooke Semonin. Brooke may be reached at 330-926-5659 or through her e-mail at [bsemonin@schd.org](mailto:bsemonin@schd.org)

The Environmental Health number of 330-926-5600 may be used for any general question in Environmental Health. The Environmental Health fax line is 330-923-6436.
